

Chapter 6: Green Haired Girl

Good morning,
Lady Lashara.

Are you

He is
probably still
sulking.

Kenshi?
He still
hasn't showed
up....

Understood!
Then, please eat
your breakfast
first!

*Go get him!
We don't care what
method you use!

Nghg~!

Also,
please be
awake.

Doll
Chapter 6: Green Haired Girl

How pathetic of
you being scared
like that.

You and
your
useless
mouth!

I don't
remember
taking orders
from you.

I gave you
an order
not to show
yourself
in school!

an event
where I
had to
recover
someone
useless.

I seemed
to recall

Wha!

Useless?
FUFUFU!

Are you
here to gloat?
Get out!

Truly, you
should
thank me.

Ugh!
Who do you think
is the reason I'm
angry right now?

what
a child.

Don't you
ever show
yourself
again!

I'm just
here to
check up
on you.

Truly,

Kenshi: *sob* *sob* *sob* *sob* *sob* *sob* *sob* *sob* *sob* *sob* *sob* *sob* *sob* *sob* *sob*

**GOOD
MORNING,
KENSHI!**

Compared
to the usual,

their
power
increased
about
30%
today.

But I
heard
it was a
memento.

I heard he
climbed down
a cliff just
to get a
handkerchief.

Thank
you so
much!

Is
that
so?

This is
already
enough!

Another 10 will fall
to the cliff and
the whole students
will....

If you
pick up
one
handker-
chief,

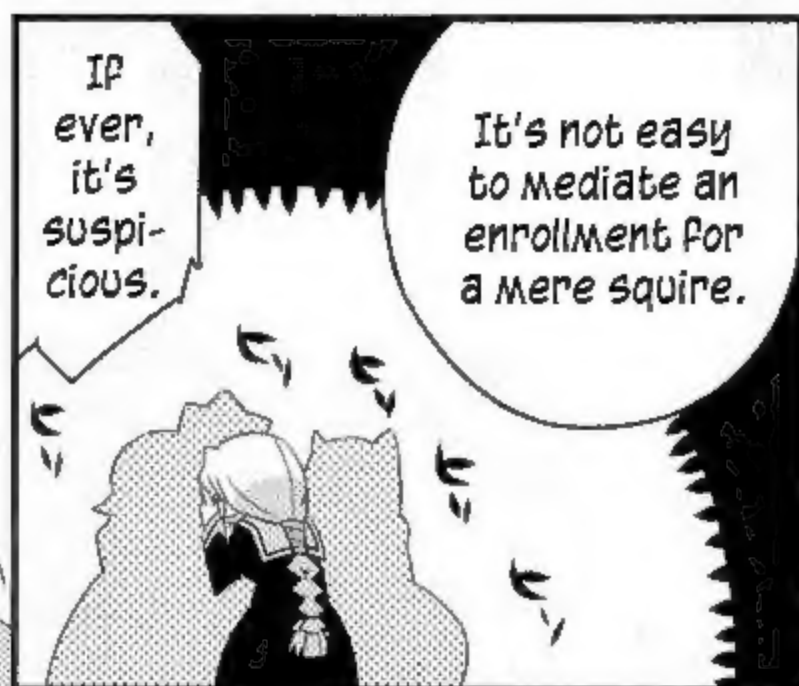

I give my
gratitude
for picking
our Lapis's
handker-
chief.

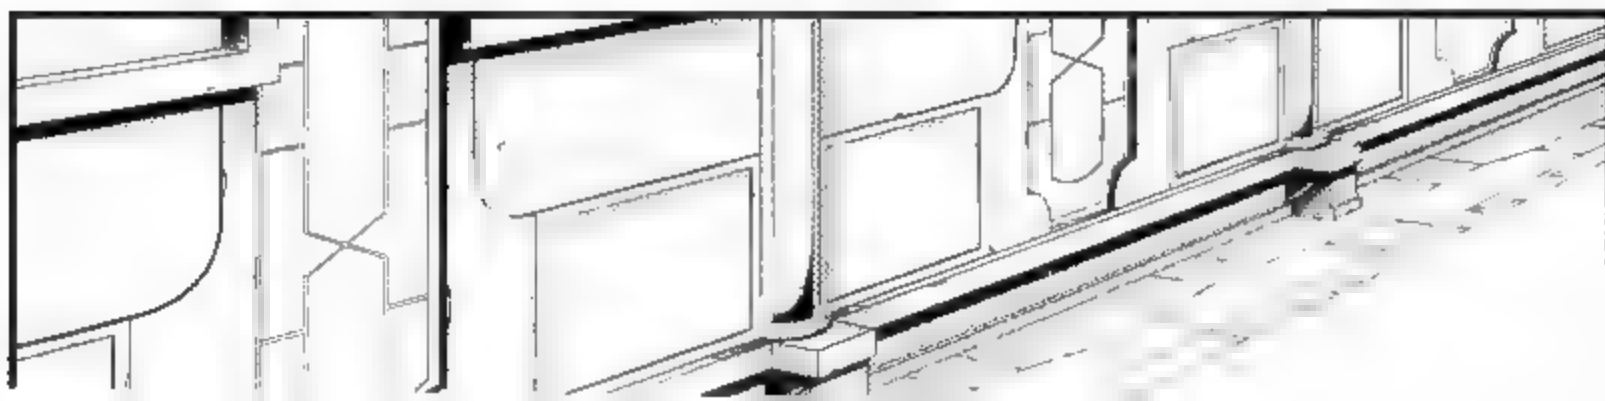

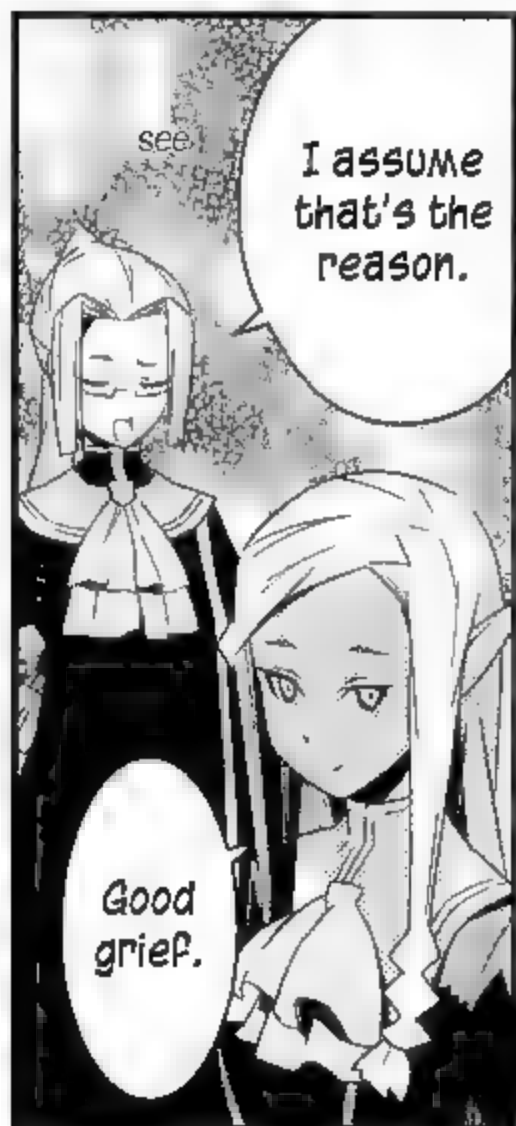

Miss

Presi-
dent!

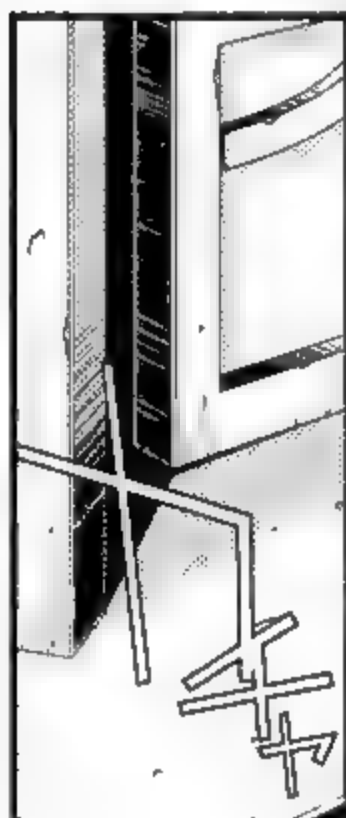

Oh, Aura.
And over
there is....

I see
you're
very
busy.

Chi-Chiaia!
Lady Lashara!

What's
this?

We're just
getting at
the good
part.

Taking advantage
of our product's
absentmindedness,

Who?

Wha!

**WHO
IS THIS
BROAD
?!!!**

**KENSHI,
EXPLAIN
YOURSELF!**

P-P-P
PLEASE WAIT!
PLEASE LISTEN
TO ME FIRST!

C

rating?

**YOU'RE NOT
COPULATING
WITH HER,
ARE YOU?**

I apologize
for my
rudeness.

Doll?

This
girl is
HINPH!!!

Ohr

So
What Made
you enter
Kenshi's room
this late
at night?

Nice to
Meet you!
My name
is Doll.

Yesterday
I was kicked
out by my Master
and I asked
Kenshi for help.

And then
I asked
Kenshi for
help as Fellow
attendant.

I'm too
ashamed
to tell.

You
said Master. Huh?
Whose
attendant
are you?

In that
case,
we can
under-
stand
....

Well, as an
attendant,
you probably
don't have much
connections.

If you're really an
attendant, you
should know to report
to us. Perhaps you did
have a fight with your
master or perhaps
you're a spy.
Which one should
we believe?

Do you really
think we're
just going
to agree
with that?

.....
This isn't
your room
so what's
the big deal?

Pompous
girl.

Oh, you
finally
show your
true face.

異世界の聖機師物語上

Thank
you,
Lady
Lashara.

F-Fine!
Out of
consideration
to Kenshi,
We shall
overlook
this matter.

She's
blushing.

Lady
Lash-
ara?

By no means
she's a bad
person so
please believe
me.

If anything
weird happens,
we will
immediately
banish her.

Then
remember
this!

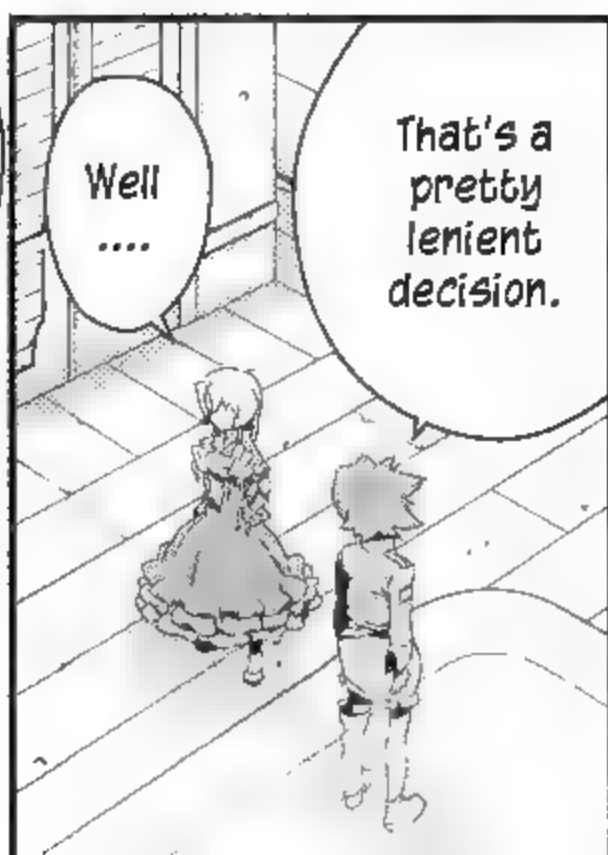

You're
amazing

Good
for you,
Doll'

Besides,
if she does
something
weird,

We're idiots
if we were ever
doubt that
innocent smile.

Just
look at
him.

Well
....

That's a
pretty
lenient
decision.

That
aside,
Chiaia,

Don't we
owe Kenshi
an apology?

Huh?

We can
sue the
pants out
of her
master.

Shtrayu Empire

Danger!
You can't
just sue
people
until
they're
dry!

That's
pretty
cute of
you.

Pardon
me,
Lady
Lashara.

I will trust
Kenshi for
this matter.
But if she shows
any kind of
suspicious
behaviour...

For
that thing
yesterday.

Are
you
kid-
ding?

But that
is exactly
your job.

She is rather
a whimsical girl
so it's hard to
keep her in line.

You said
you wanted
to use Doll.

She's the one
who come out
of hiding to Holy
Land in the
first place!

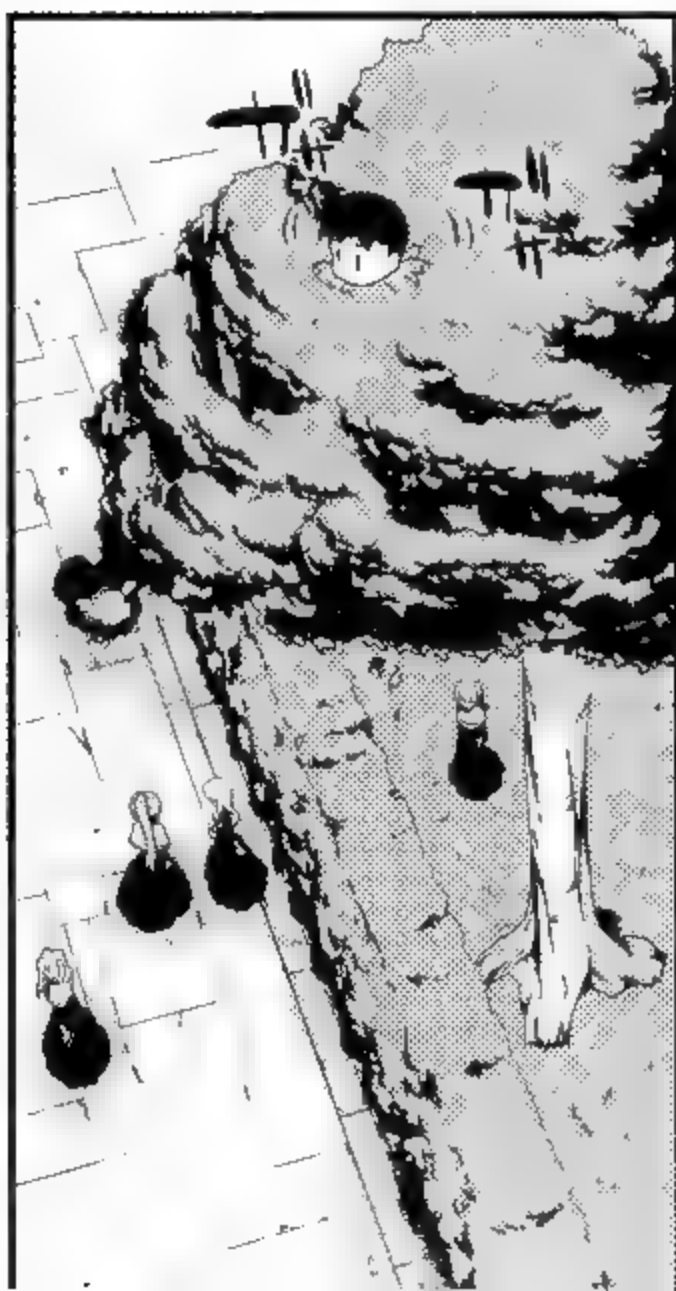

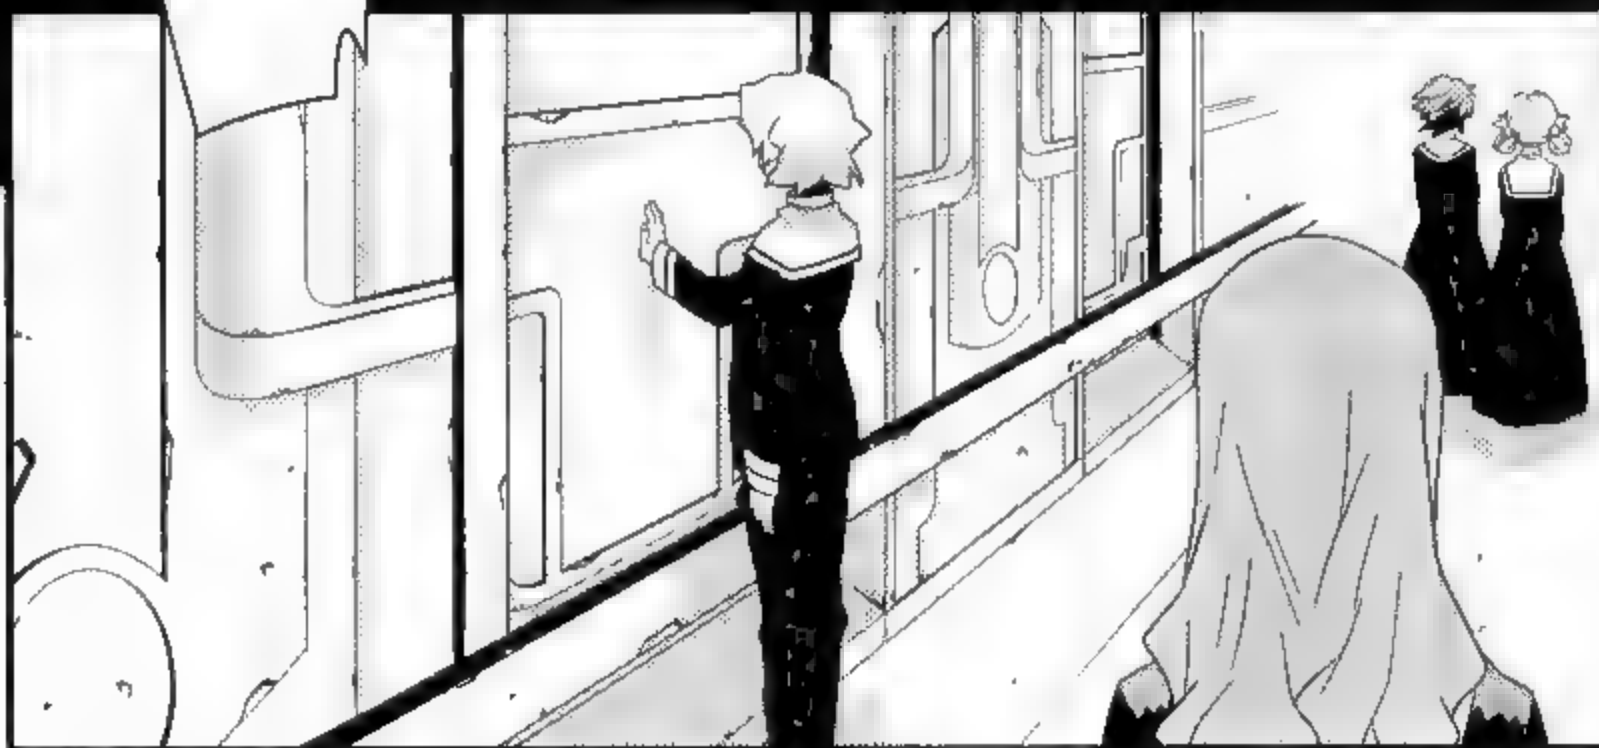

Okay.
I'll take
care of it.

You cannot
advance if you
keep blaming
people for your
own immaturity.

DAMN
IT!

That
good-for-
nothing!
What is he
doing in
the Holy
Land?

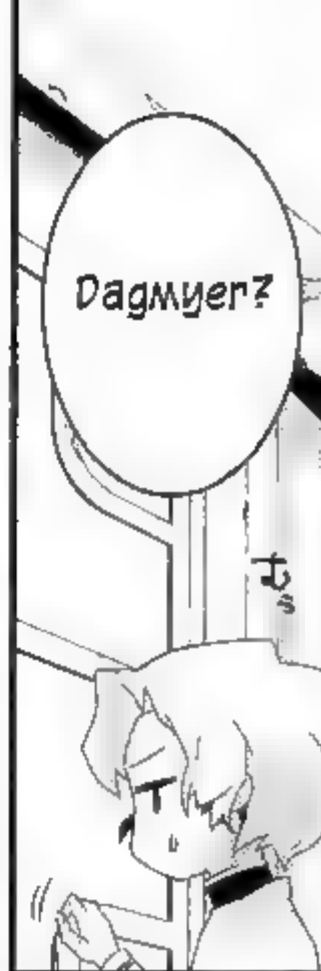

Get
along with
that girl
he said?
Don't be
silly!

異世界の聖機師物語上

What are you
doing spacing
out like that?

Dagmyer?

Thanks
to that,
we're having
troubles.

But it's
amazing he
can attract
people
with that
quality.

You see,
a green haired
girl came to
kenshi's bedroom
the other night.

Sigh

I see
Kenshi from
your house
is having fun.

It's that
idiot's only
quality,
you see.

She got kicked
out by her master,
so we lent her
a room.

But are you sure we should bring this tool with us?

Fu fu fu!

Good for you.

So much earning once again.

Yes....

Bear with it.

Yup!

There's still many things we have to prepare for the school event.

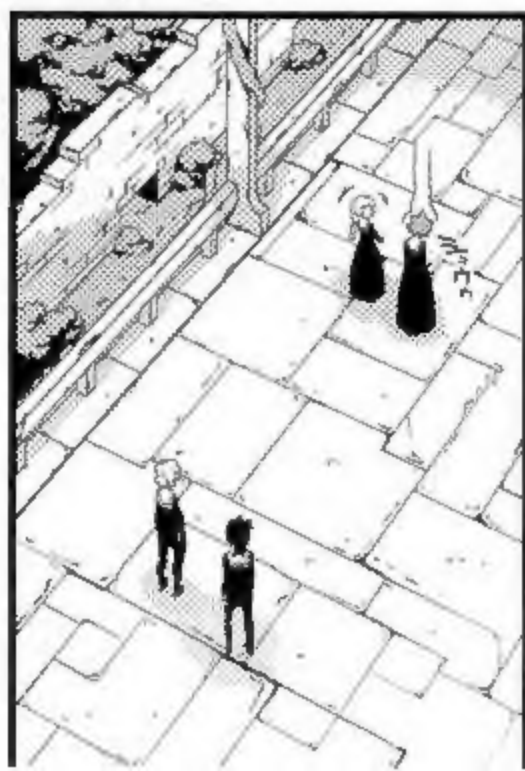

What are you saying? We're just getting started.

Oh!
What a rare occasion for you to come to us.

Ah!

Forgive me for interrupting, Lady Lashara.
